

## **FAMILY BOOK DISCUSSIONS 2009**

This book discussion group has something for everyone in the family. From the list below, choose the book that is right for your family, and then join us for a friendly book discussion and some special activities. The grades listed are merely suggestions and do not disqualify other age groups from attending. The only requirements for joining us are that your group include an adult and a child, and that you both have read or listened to the book! See a Youth Services librarian if you have additional questions.
